

## **Men's Camp 2017**

Imagine four days of rafting down the remote Gulcana River from Paxson Lake to the Sourdough campground with 16 Christian guys. There will be time each day for personal reflection, group time with guys around a campfire and time to enjoy the river and some world class trout fishing. Copper River Float Ministry will be running the rafts down the river and Jeff Schulte, from TinMan Ministries in Nashville will be directing the group time after breakfast and dinner each day. Alaska Men's Ministries is coordinating all the food so all you need to bring is your personal gear and fishing stuff. The cost of the trip is \$400.00/ man (this covers everything except transportation to and from Paxson lake from Anchorage) You can make your payment to Alaska Men's Ministries and mail it to Steve Gordon (Men's Camp Coordinator) 3820 Robin Street, Anchorage, AK 99504. Right now there are four slots open for the trip. When I receive your check in the mail I'll confirm that you're on the list and email your packing list for the trip. Questions: contact Steve Gordon 907-441-4572 cell
